

## Hospital Accompaniment

If you are a survivor of recent sexual assault or domestic violence over the age of 13, you can request a support worker from NSART to attend Kootenay Lake Hospital with you to provide:

- Information about sexual assault, medical and forensic procedures, reporting options, legal options, and community supports and services
- Advocacy and support during medical attention including the Sexual Assault Forensic Kit
- Advocacy and information about reporting to NPD/RCMP if you choose
- Information on follow-up counselling and justice-related services
- Information and referrals to other community supports and services

**Ask at Triage or call 1-250-354-4357 to access**

**You're not alone.  
We believe you.  
We're here to help.**
